Welcome Message

Dear Esteemed Colleagues & Friends,

It is our proud privilege to welcome you to PedPULMOCON 26, the Annual Academic Festival of IAP National Respiratory Chapter. PedPULMOCONs are known to present latest and cutting edge scientific information by the best brains in the subject at National and International level.

Keeping up with this tradition, organising committee has prepared a scientific programme which would cater to the need of wide spectrum of delegates from postgraduate student to hard core pediatric pulmonologists. A galaxy of speakers from India and abroad have been invited who would deliberate over 2 days and enrich you with their academic prowess. A string of workshops have been planned which would sharpen your skills in pulmonology. Young post graduate researchers would be provided platform to present their research work in form of oral and poster presentation, with prizes for best work.

On behalf of organising committee, we invite you to be a part of academic extravaganza and also enjoy the hospitality which is the trademark of people of temple city.
